CBC Launch Success!

Well, the launch on Sunday 10th January went off—like a hatful of crackers! The punters came. The jammers came. And a fabulous afternoon was had by all.

Thank you one and all for your support. The future of the jam is assured and we'll be working hard to develop it further in coming months. Yes, there are plans afoot so stay tuned.

As you might expect, we at CBC headquarters were a little nervous in the lead-up to the first jam. Will the punters show their support? Will there be sufficient interest from potential jammers? Will the pub be up to the

challenge of feeding and watering the masses?

We need not have worried. A resounding **YES!** was the answer to all those questions. Technical difficulties (minimal) and a few rough edges did nothing to dampen the spirit of the day.

THANK YOU ONE AND ALL FOR YOUR SUPPORT.

As was hoped, the CBC House Band and all of the jammers were very well received. Clearly, everyone was intent on being upbeat and supportive—thank you!

The Club's [Facebook](#) page is

being well-patronised and you can find a pictorial record of events there. Did you make the cut...?

As always, please feel free to pass this newsletter along to all and sundry. If you haven't already, it's easy to sign-up for future editions just by going to the **CBC website** and adding your name to the list at the bottom—just click the "Lists" link on any menu bar...
