## Gettin' up a head of steam!

Jam number 2, in February, was even bigger than Jam number 1. This thing is *gettin' up a head of steam* and looks set to keep *rollin' on* well into the future. Melbourne may have its steam and rail Blues Train but it looks like Candelo has one too (figuratively speaking)!

There were more punters—lots of new faces—great to see. And there were more jammers too. So many, in fact, we couldn't fit them all into the afternoon's jamming.

We'll try harder next time to fit everyone in. But if you miss out, please let us know so we can put you at the top of the list for next time.

More punters, more jammers, more blues music!

Many more people have signed up for the eNewsletter too—thank you for joining us! We'll keep you posted on what's happening at the Club so you don't miss a thing.
