to be able to snare one or two of them for future jam days if/when they come into our orbit.

Acts like Jimi Hocking's Blues Machine, Tomcat Playground, Nick Charles, Uptown Brown and the Frazer Goodman Trio

At times we've allowed a few non-blues offerings to slip through. That has enabled some jammers to participate where they have not had sufficient blues material to draw on. And we also hope that lends encouragement to them to come back with

NEWSLETTER HELP

would like to lend a hand with the newsletter to lighten the load, please contact Paulo. He'll appreciate the help.]

The Blues on Broadbeach music festival at the Gold Coast happily coincided with your correspondent's holiday agenda and some great blues acts were enjoyed. We hope

BLUES ON BROADBEACH

amongst many others would all be welcome guests. The CBC is all about the blues and these artists are exactly that—all about the blues.

Right from its inception the CBC has been focussed on blues music. The blues is the *raison d'être* of the club. We love the blues and, clearly, you do too.

TRUE BLUES

some true blues in the future. To borrow a phrase from *Wombat* (Klaus Halper), help us **keep the faith**.

www.allaboutbluesmusic.com is a great resource for furthering our appreciation of the blues.

The next jam is on **Sunday 11th June**. See you there. Help keep the blues alive!

Coming up

Coming up at the **Candelo Blues Club...**

June: Blues on Tap (the CBC house band) will be hosting the jam on **Sunday 11th June**.

Blues on Tap will also be hosting the **Canberra Blues Society's** jam on **Sunday 18th June**. Keep that date in mind if you are travelling to Canberra.

Later: We're always on the lookout for other touring acts to swing by and host a jam. If you know/hear of anyone who might be in our orbit let us know here at blues central.

We already have interest from a number of out-of-town acts who are keen to host our jam later in the year.

Stay tuned for further info...
