Sunday 11th saw another successful jam day at the Candelo Hotel. The punters were there in force, as always. But the jammers were fewer in number than the previous couple of jams. Such is the nature of these events - competing priorities and other events all vying for our attention. Too much to do and not enough time to do it all!

We trialled a new 'jam set' in the form of a quiz this month. With the working title, "*Nothin' But The Blues QUIZ*", our host, Ian ('Julia Zamira') Fisher took us through a very entertaining quiz session with questions firmly rooted in the Blues music genre.

QUIZ PROVES POPULAR

This time around we used a jam set slot during the jam for the quiz but we may trial it in the pre-jam/lunchtime period next month. Let us know your thoughts about the quiz and whether you'd like to see it as a precursor to the jam rather than in the midst of the jam.

THE NEW SAVAGES

We always feature a host band to open and close the jam. Most times it's **Blues On Tap**, the house band. But occasionally we have the opportunity to invite other feature acts to host the jam.

This month

The next jam, on **Sunday 8th April**, will see Melbourne-based outfit, **The New Savages**, coming to the Club to give us their take on the Blues.

They characterize their music as '*Melbourne Hill Country Blues—a very original mix of the deep delta Blues sounds of the Mississippi, the raw sexuality of The Doors and the storytelling of Johnny Cash*'.

Best to come along and find out how that sounds!

MELBOURNE HILL COUNTRY BLUES

In the meantime, if you'd like a little foretaste of *The New Savages*, take a look here:

www.youtube.com/watch?v=2ttfKC-ImW8;

or here:

www.facebook.com/TheNewSavages/videos/1817653908253024/;

or try their webpage here:

www.thenewsavages.com;

or just search the Internet.

We know you're going to love these guys as they bring a new dimension to the Blues.

The Candelo Blues Club is here for all lovers of Blues music. It's *not* an 'open mic' event. But it *is* for all comers who want to play some Blues.

Again we encourage all jammers who may not yet be completely Blues-savvy to hone their Blues music skills

NOT AN 'OPEN MIC' EVENT

and develop their Blues music repertoire. A valuable resource can be found here: AllAboutBluesMusic.com.

Take a look, you'll find a wealth of information and Blues material. The *Essential Albums* section is very handy. If in doubt, talk to [Paulo](#); he'll be happy to point you in the right direction.

Remember, this is a **BLUES MUSIC** jam. We're here to celebrate the Blues and **NOTHIN' BUT THE BLUES!** Other music genres are not appropriate here. Please be mindful of that and respectful to the Blues community by only playing material and styles embraced by the great Blues players of the world.

Did you know that the CBC has a website with lots of helpful information about the Club and how it runs? Take a look here:

and keep up-to-date.

The next jam is on **Sunday 8th April**. See you there.

Help keep the blues alive!

TATHRA FIRES!

As we go to press the Tathra fires are behind us...but the aftermath continues and your support is needed. The Candelero Blues Club is fully in support of relief efforts already underway and will be supporting the

Tathra Bushfire Relief Concert—BAND TOGETHER

by sending **Blues On Tap** to perform free of charge.

Do support the concert by marking your diary and purchasing your tickets now. See below for details.

Further to that, we urge everyone who is able to make a donation to do so through one of the reputable agencies which are overseeing relief efforts. Donations can also be made through the CBC if you wish and we will forward any monies received to a suitable agency.

Other possible ways to assist are being considered by the CBC—your ideas and suggestions are appreciated.

Jammers, please take note! To assist with an orderly jam and to enable as many jammers as possible to participate...

1. Get your name on the jam board if you wish to join a jam set. Walking up uninvited is not cool.
2. Watch the board and be ready for your set on time.
3. Tune up prior to going on.
4. Minimise your setup time. Wasted time will be deducted from your slot. You have twenty minutes so make the most of them.
5. Don't go overtime (unless and only if you are invited to by the jam co-ordinator).
6. Clear the stage promptly at the end of your set.

See the expanded rules and guidelines here:

www.candelobluesclub.info/pageone.html#how

Thank you in anticipation of your cooperation and adherence to the rules.
